Legion Post To Present Flag To Work Camp On Anniversary, April 30

Sunday, April 30th, being the One Hundred and Fifteenth anniversary of the taking effect of the Constitution of the United States, the American Legion is contemplating plans for appropriate ceremonies to be held at the SRA and WPA Camp about a mile south of town on the Cedar Ravine road.

The ceremonies will include the presentation of a flag to the camp, by El Dorado Post 119, American Legion, accompanied with an appropriate and interesting patriotic program.

Plans are being made for a large gathering, and all citizens and organizations are urged to participate. The local American Legion Post will have a large delegation present and arrangements are being made to serve a luncheon to all visitors.

Roy G. Strum, a member of the American Legion Post, and manager of the Pacific Gas and Electric Co., is attending to the hauling and erection of a flag pole, and Mr. Bromley, the Camp Superintendent, is arranging for the entertainment of the visitors, by the Camp.

Cougar Hurler In Fine Form To Beat Ione, 7-2; Jackson Here Friday

The Cougars chalked up their second victory in as many starts in the high school baseball league Tuesday afternoon, defeating Ione high school 7 to 2 in a seven inning game in which William Schrotto struck out seventeen batsmen.

The game was played at Marcus P. Bennett, Jr., Memorial Park.

On Friday afternoon the Cougars go against Jackson high school for their third league game of the year, also at Bennett Park.

Twenty-eight Ione batsmen faced Schrotto in the seven innings.

He whiffed seventeen of them, hit one, walked one, served up four hits, four of them were infield outs, and one reached first on an error, which is something of a record for high school pitchers to shoot at.

Beach blasted out a home run for the Cougars and Gibbs and Marchini came through with doubles, while for Ione Watt got a two-base blow and Scully tripled.

Program Notes Bard's Birth

Shakespeare Members Plan Anniversary Meeting; Travel Section Views Pictures

The regular meeting of the travel section of the Placerville Shakespeare Club was held at the clubhouse Tuesday, April 11. Mrs. M. P. Bennett, presiding. This section has been a most interesting study of Mexico throughout the club year, including history, relics of the Mayas, characteristics of the various rulers, display of Mexican art and clothing, personal observations by people visiting there and residing in the mining districts.

The meeting Tuesday showed moving pictures by Miss Florence Reckers of her travels there and of deep sea fishing off the coast of Mexico. The crowds and pomp of a Mexican bull fight were shown in Technicolor. Punch was served by Mrs. Spears.

The next travel section meets at the home of Mrs. Hoffman the second Tuesday in May.

April 18 is the commemoration of Shakespeare's birthday, a yearly event.

Starting with a pot-luck luncheon at 12:30 the program will start at 2:30 and will include "Biography of Shakespeare," by Mrs. Hand, solo, "Who is Sylvia," by Mrs. Morey; dramatization of "An Interview with Shakespeare," by Mrs. Bennett, Readise and Carpenter; reports of those visiting the Crocker Gallery last month, and reading of two reports of Shakespeare plays being produced in New York City. This is open to members only.

The Choral meets at the clubhouse at 10 a.m. Tuesday, April 18, also at 1 o'clock Wednesday, April 19. All members are urged to be present.

THREE INQUESTS LIKELY TO BE HELD ON THURSDAY

Formal inquests into the deaths of two Auburn young men, killed last Friday in a plane crash on the north side of the county, and into the death of Kenneth Cyril Juster, Jr., probably will be held on Thursday night.

Coroner A. J. Orelli was at Sacramento Wednesday afternoon and could not be reached. He has been waiting until holding the inquest in the airplane deaths, until such time as he should receive a report on the civil aeronautics authority inquiry into the crash.

That report arrived early this afternoon. However, it was believed unlikely that the inquest could be held tonight.

One coroner's jury will review both cases, the instance of the two deaths in the plane and the one of the apparent suicide of the Juster boy.

CONGRESS ECONOMY BLOC SEEKS REORGANIZATION OF WPA

WASHINGTON (UP)—The Congressional Economy Bloc, successful in slightly whittling this year's relief funds, will try to prevent any appropriation for relief in the coming fiscal year until the Works Progress Administration is materially recognized, it was indicated today.

The fight over the last of this year's relief funds ended last night when the senate passed and sent to President Roosevelt a bill appropriating \$100,000,000 — \$50,000,000 less than he asked — to carry WPA on until July 1.

The President will ask \$1,500,000 for the new fiscal year beginning then, word of that figure, to be formally submitted by Mr. Roosevelt within a few days, was cheered by economy advocates, a total of \$2,250,000,000 was voted for relief this year.

Sliger Mine Has New Pumping Plant

The Sliger mine in the Greenwood district, operated by the Middle Fork Mining Company, is employing a force of eighty men in mining and milling 100 tons of ore a day. The property has a ledge that is sixty-five feet in width. C. W. Plumb, the superintendent, says the latest improvement is a pumping plant through which water for the mine's operations is pumped from the Middle Fork of the American River.

"The Typical American Boy" is title won by Karl F. McCready, 13, of Louisville, Ky., being congratulated by Mrs. McCready in a mother's typical manner. Title and \$1,000 were awarded in New York where six finalists were judged after national competition among 25,000 lads.

STATE BUDGET TRIMMED IN ASSEMBLY VOTE TUESDAY

Only A Compromise May Forestall \$30,000,000 Slash Outlined By Bi-Partisan Economy Block; Democratic Split Blow To Olson Prestige

By JOHN W. DUNLAP
(United Press Staff Correspondent)

SACRAMENTO (UPI)—Stunned by overwhelming success of a bi-partisan assembly economy bloc in forcing drastic reductions in Gov. Culbert Olson's \$557,000,000 budget, administration democrats fought today to save what they could of the governor's financial program.

It appeared that only a compromise could prevent carrying out the full conservative program calling for budgetary cuts totalling \$30,000,000.

The administration lost out in nine separate test votes yesterday afternoon, which saw separation of a \$72,700,000 relief item from the remainder of the budget and slashing of \$2,400,000 from Olson's requests for support of eight state units during the 1939-41 biennium.

The desertion of conservative democrats from the administration fold was a serious blow to Olson's prestige in view of the governor's

repeated demands that there be no tampering with his budget recommendations.

The chief executive had conferred with members of the assembly hour after hour during the past few days in an attempt to iron out intra-party dissension over charges of radicalism in the state relief administration and other disagreements on policy.

Members of the chapter were divided into two teams several weeks ago, the Martins and the Cows, to see which team could sell the greatest number of tickets to the dinner; the stake to be a bean feed.

At last reports, the Martins have a substantial lead but a rumor persists that the Cows will come in late with a heavy ticket sale.

Anniversary dinner tickets may be obtained from DeMolay members.

PLACERVILLE P. T. A. TO INSTALL OFFICERS ON THURSDAY

Placerville P. T. A. will meet at the grammar school building at 3 o'clock Thursday afternoon and Mrs. W. D. Alexander, new president of the third district, will install officers in the local association.

The guest speaker will be Mrs. C. Griffith, third district financial secretary and Mrs. H. H. Johnson, first vice-president of the third district, also will attend.

The three distinguished visitors are all from Sacramento and because of their active interest and prominence in P. T. A. work, special invitations to attend the meeting have been extended Parent-Teacher groups in nearby communities. The general public also is welcome.

T. R. Snyder's class will present a play and the school orchestra, led by Miss Laura Ball, will provide music. At the close of the program the teachers of the school will be hosts at a social hour.

RESCUE PROPERTY HAS GOLD-BEARING CLAY

A reduction plant capable of handling from 200 to 250 tons of surface clay material is under construction on the Skinner property, about three miles west of Rescue, a Sacramento paper reports.

Thomas B. Sturgess, the president of the Pittsburg Drilling Company, and his associates recently purchased the property from the owner, E. R. Skinner.

The property, about 690 acres, has attracted the interest of mining men during the last few years, but due to the heavy clay content, has been considered difficult property to work profitably.

The new operator, by a system of high pressure water jets, hopes to break up the clay and release the gold values.

Shelock Admits Guilt, Asks Probation

Orrin Shelock, arrested on the complaint of C. J. P. Edwards in connection with the theft of two guns from a residence at Shingle Springs, pleaded guilty Tuesday in Superior Court to a charge of burglary.

The defendant, appearing for arraignment without the advice of council, made application for probation and the court set Friday afternoon as the time for receiving the report of the probation officer and for passing sentence.

Grange, War Veterans Plan July 4 Picnic

Plans are now under way for a joint 4th of July picnic this year, to be given by the local V. F. W. post and the Grange at Aukum.

Present arrangements are for something unusual in the way of patriotic celebrations.

OLSON BUDGET PROTESTED

County Republican Central Committee Cites Governor On Relief Client Appeal

Voice opposition to the "ever spreading relief blanket that at present covers so many unworthy and includes in its fold a too highly paid and numerous overhead which is by no means producing efficiency and economy," the county Republican Central Committee has written Sen. A. L. Pierovich expressing its objections to the proposed budget of Governor Olson, was signed by H. P. Brown, chairman of the county Republican Central committee under date of April 11th, and is as follows:

The El Dorado County Republican Central Committee speaking on behalf of the Republican voters and do earnestly object to the proposed other taxpayers of this community budget of Governor Olson with the increase of taxation that will follow. We do seriously object to the

De Molays In Contest Over Dinner Seats

A feature of the preparations for the dinner marking the thirteenth anniversary of El Dorado Chapter, Order of De Molay, which is of special interest to De Molay members, is a contest in the sale of tickets to the dinner.

The banquet will be served at 6:30 Friday night at the Masonic Hall as the first of a series of doings during the evening which will include a Public Majority Service and a dance following.

Members of the chapter were divided into two teams several weeks ago, the Martins and the Cows, to see which team could sell the greatest number of tickets to the dinner; the stake to be a bean feed.

At last reports, the Martins have a substantial lead but a rumor persists that the Cows will come in late with a heavy ticket sale.

Chamber of Commerce Secretary Wallace M. Ripley has received preliminary inquiry from Norman Carls, assistant professor of geography at the Oregon College of Education at Monmouth, Oregon, relative to the college conducting a study tour in El Dorado County during the coming summer.

The study will be especially concerned with the county's industries, history and recreational possibilities, it was indicated.

Although the proposal for the study and the reply by Mr. Ripley places the matter yet in the preliminary stage, it is felt that the tour, if conducted, will be of great interest not only to the members of the tour but as well to county residents and there are hopes that the results of the study may be made available to the chamber of commerce.

OLSON BUDGET PROTESTED

(Continued from page one)

Governor's direct appeal to those on relief to use their influence with the Legislators to support this budget. As Republicans we are entirely in harmony with justified relief for worthy cases but are unalterably opposed to this ever spreading relief blanket that at present covers so many unworthy and includes in its folds a too highly paid and numerous overhead which is by no means producing efficiency and economy.

Trusting that you will give these matters your earnest and sincere attention in order that no unjust burden may be placed on the taxpayer and that business may be helped to take up the relief load, I am yours.

Very truly,
H. P. BROWN,
Chairman El Dorado County,
Republican Central Committee

WIFE OF JUDGE, SECOND OFFENDER, JAILED FOR SMUGGLING

NEW YORK, (UP)—Mrs. Edgar N. Lauer, wife of a New York state supreme court justice, was sentenced to three months in prison today and fined \$2500 for smuggling. She was convicted with Albert N. Chaperau, master smuggler, whose clients included Jack Benny and George Burns, film and radio comedians.

Mrs. Lauer was placed on probation for a year by Federal Judge Vincent Leibell who bitterly criticized her from the bench. Like Benny and Burns she had pleaded guilty, but was given the prison term where they had received suspended sentences because she was a second offender. She paid a \$10,000 fine for smuggling clothing and jewelry in 1937.

Mr. and Mrs. Paul Salvater were here Sunday from Auburn visiting Mrs. Salvater's mother, Mrs. Edith Miller.
